DESCRIPTION

This 2021 BMW 1 Series M135i boasts a clear vehicle history, offering peace of mind alongside its impressive performance. Powered by a 2.0 litre petrol engine and featuring a four wheel drive drivetrain, this Euro 6 compliant model is designed for dynamic driving. Inside, you'll find a wealth of features designed for comfort and convenience, including a panoramic glass sunroof that opens up the cabin, and the Comfort Pack II which provides keyless entry and electric front seat adjustment with driver memory. The Technology Package enhances your journey with Bluetooth connectivity, a head up display, LED headlights, a rear parking camera, and wireless phone charging. Furthermore, the M135i Pro Pack adds a premium branded sound system for an immersive audio experience.

The M135i variant truly stands out, particularly with its exhilarating 0-62mph acceleration in just 4.8 seconds, demonstrating a level of performance that sets it apart from many similar vehicles. This impressive speed is complemented by a large boot space, making it a practical choice for everyday use and longer journeys alike. The combination of its potent engine, advanced technology, and thoughtful features ensures this BMW 1 Series M135i offers a superior driving experience.
