DESCRIPTION

This 2011 Ford Focus Zetec is a practical hatchback that combines reliable performance with everyday usability. It is powered by a 1.6 litre petrol engine, which offers a balanced driving experience suitable for both city commuting and longer journeys. As a Zetec trim model, it provides a well-rounded specification that focuses on essential comfort and functionality for the driver and passengers.

The vehicle includes manual air conditioning to help maintain a comfortable cabin temperature throughout the year. For added convenience and safety while driving, it is equipped with Bluetooth handsfree and voice control, allowing for easy connectivity on the move. Furthermore, this model sits in a low insurance group, which makes it a sensible and cost-effective choice for a wide range of motorists looking for an economical and well-equipped vehicle.
