DESCRIPTION

This 2017 Ford Mondeo Zetec is a practical and well-maintained saloon that has been kept by only one owner from new. It is powered by a 1.5-litre petrol engine which meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. Prospective buyers can purchase with confidence, as the vehicle has passed a comprehensive history check and comes with a clear record.

The interior of this Mondeo is designed with passenger comfort in mind, featuring dual-zone electronic automatic temperature control that allows for precise climate settings. To ensure everyone on board stays comfortable, the car is equipped with independent rear air conditioning, a thoughtful addition for passengers in the back. Connectivity is straightforward thanks to the integrated Bluetooth handsfree phone system, which helps you stay in touch while on the move. With a fuel economy of 48 mpg, this vehicle offers an efficient driving experience that balances performance with running costs, making it a sensible choice for daily commuting or longer journeys.
