DESCRIPTION

This 2015 Honda Civic i-DTEC SE Plus is a practical hatchback that has been maintained by only two owners from new. Powered by a 1.6 litre diesel engine, this model is well equipped with features designed to make daily driving more convenient. The vehicle includes a rear parking camera and rear parking sensors to assist with manoeuvring, while the dusk sensing headlights automatically activate when needed. Inside, the cabin offers dual zone climate control for personalised comfort and Bluetooth hands free telephone connectivity to keep you connected while on the move.

This vehicle stands out for its efficiency and practicality, making it a sensible choice for a wide range of drivers. It offers an impressive fuel economy of 79 mpg and low CO2 emissions, which helps to keep running costs down. Furthermore, the car falls into a low insurance group, adding to its overall affordability. Beyond its economical performance, the Civic is designed with a large boot space, providing plenty of room for luggage or shopping, ensuring it is as versatile as it is efficient.
