DESCRIPTION

This 2021 Mazda CX-30 e-SKYACTIV G SE-L is a superb example of a well maintained compact SUV. This particular model, registered in 2021, features a responsive 2.0 litre petrol engine and meets Euro 6 emissions standards. It comes equipped with advanced LED headlights that automatically adjust their level, ensuring optimal visibility. For added safety and convenience, it includes Blind Spot Monitoring with Rear Cross Traffic Alert, making lane changes and reversing more secure. Inside, you'll appreciate the seamless integration of your smartphone with Apple CarPlay and Android Auto, keeping you connected on the go. Manoeuvring in tight spaces is made easier with the rear parking sensors.

This Mazda CX-30 stands out with its impressive fuel economy, achieving up to 48 miles per gallon, which indicates it is more economical than many similar vehicles. Furthermore, its low insurance group rating suggests that running costs will be more affordable. The low CO2 emissions also highlight its efficiency and environmental consideration compared to other cars in its class.
