DESCRIPTION

This 2018 Mercedes-Benz CLA200 AMG Line Edition presents a compelling proposition with its remarkably low mileage of just 47940 miles for its age. This stylish coupe, featuring the desirable AMG Line Edition trim, is powered by a 1.6 litre petrol engine that meets Euro 6 emission standards. Inside, you'll find the Audio 20 Radio-CD system with Bluetooth connectivity, and for your comfort, the THERMOTRONIC luxury automatic climate control ensures a pleasant cabin temperature. The KEYLESS-GO starting function and keyless entry add a touch of modern convenience, while the Headlamp Assist automatically activates the headlights in dark conditions.

Experience the dynamic performance of this Mercedes-Benz, capable of accelerating from 0 to 62 miles per hour in a swift 8.5 seconds. This acceleration figure indicates a more responsive driving experience compared to many other vehicles in its class. Furthermore, the inclusion of a reversing camera enhances parking ease, offering greater confidence when manoeuvring. This combination of performance, advanced features, and excellent provenance makes this CLA200 AMG Line Edition a standout choice.
