DESCRIPTION

This 2012 MINI Countryman Cooper D offers a practical and stylish option for those seeking a compact crossover. Powered by a 1.6 litre diesel engine, this vehicle combines the iconic MINI design with the added space and versatility of a larger body style. The exterior is enhanced by 18 inch 5-Star Double Spoke Jet Black light alloy wheels and Bi-Xenon headlights, which provide both a distinct appearance and improved visibility on the road.

The vehicle is well equipped for modern driving, featuring the CHILI pack and MINI Connected technology to keep you linked to your digital life. Connectivity is further supported by full Bluetooth telephone preparation, which includes USB audio integration. Beyond its technology, this model is designed with efficiency in mind, boasting a fuel economy of 64 mpg. It also benefits from low CO2 emissions and falls into a low insurance group, making it a sensible and cost-effective choice for daily motoring.
