DESCRIPTION

The 2014 Nissan Juke dCi Acenta Premium offers a practical choice for those seeking a reliable compact crossover. This model is powered by a 1.5 litre diesel engine, which provides a balanced driving experience suitable for both city commutes and longer journeys. As an Acenta Premium trim, the vehicle comes equipped with several useful features designed to improve daily usability, including a rear parking camera to assist with manoeuvring, climate control for maintaining a comfortable cabin temperature, and Bluetooth integration for seamless telephone connectivity.

This vehicle stands out due to its impressive efficiency, boasting a fuel economy of 71 mpg, which helps to reduce running costs significantly. In addition to its fuel efficiency, the Juke benefits from low CO2 emissions and falls into a low insurance group, making it a sensible option for drivers looking to manage their ongoing expenses. These combined attributes make the car a cost effective and well equipped choice within the competitive crossover market.
