DESCRIPTION

This 2016 Nissan Juke dCi Tekna is a practical choice for those seeking a reliable compact vehicle. As a Tekna trim model, it comes well equipped with a 1.5 litre diesel engine that meets Euro 6 emission standards. The vehicle has a clear history check, providing peace of mind regarding its background.

This model offers several benefits that make it a sensible option for daily driving. It is particularly economical, achieving up to 71 mpg, and benefits from low CO2 emissions and a low insurance group, which helps to keep running costs manageable. Comfort and convenience are prioritised with heated front seats and automatic climate control that includes a pollen filter. For added ease and safety, the vehicle is equipped with a comprehensive safety pack featuring a 360 degree camera, blind spot assistance, and a colour reversing camera. Staying connected on the move is straightforward thanks to the integrated Bluetooth telephone system.
