DESCRIPTION

The 2007 Peugeot 107 Urban is a compact hatchback that offers a practical solution for everyday driving. This model is powered by a 1.0 litre petrol engine, which provides a balanced performance suitable for both city streets and longer journeys. As an Urban trim, this vehicle focuses on delivering a straightforward and reliable driving experience, making it a sensible choice for those seeking a functional car from this registration year.

This vehicle stands out for its efficiency, offering an impressive fuel economy of 63 mpg, which helps to keep running costs manageable. It is also designed with low CO2 emissions, contributing to its overall environmental profile. Furthermore, the car falls into a low insurance group, which is a significant advantage for drivers looking to reduce their annual motoring expenses. These combined features make the Peugeot 107 a cost-effective option compared to many other vehicles in its class.
