DESCRIPTION

This 2016 Vauxhall Astra 1.0L Turbo SRi Nav is a practical hatchback that combines reliable performance with modern convenience. As an SRi Nav model, it offers a well-equipped interior designed for daily driving. The vehicle has a clear history check, providing peace of mind regarding its background. Under the bonnet, it features a 1.0L petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations.

The vehicle is designed with efficiency and usability in mind, offering an impressive fuel economy of 63 mpg and low CO2 emissions, which helps to keep running costs manageable. Drivers can enjoy a responsive experience with an acceleration time of 0-60mph in 10.5 seconds. Practicality is a key strength, as the car provides a large boot space suitable for various storage needs. Inside, the technology suite includes Android Auto and a mobile phone system with Bluetooth connectivity for audio streaming, making it easy to stay connected on the move. Comfort and convenience are further enhanced by air conditioning and automatic headlights with tunnel detection, which adjust to changing light conditions without driver input.
