DESCRIPTION

This 2019 Vauxhall Grandland X Turbo Elite Nav presents an exceptional opportunity with its remarkably low mileage of just 34,277 miles. This Euro 6 compliant 1.2 litre petrol model, finished in the Elite Nav trim, offers a refined driving experience. It comes equipped with the convenient Park and Go Pack One, featuring front and rear parking sensors, alongside a wireless charger for your mobile devices. Enhancing both the interior ambiance and practicality, you'll find a fixed panoramic glass roof panel with an electrically operated sunblind, and the Navi 5.0 Intellilink touchscreen system, which seamlessly integrates Android Auto, Apple CarPlay, and Bluetooth connectivity.

The Grandland X Turbo Elite Nav stands out with several key advantages. Its impressive fuel economy of 46 mpg means fewer stops at the petrol station, while its low CO2 emissions are beneficial for the environment. The acceleration from 0 to 60 mph in just 9.5 seconds offers responsive performance. Furthermore, the large boot space provides ample room for luggage or shopping, and its position in a low insurance group makes it an economical choice for many drivers, indicating it is a more affordable vehicle to insure compared to similar models.
