DESCRIPTION

This 2025 Volkswagen Golf TSI R Black Edition offers an exhilarating driving experience with its impressive 0-62mph acceleration in just 4.6 seconds. This Euro 6 compliant model features a powerful 2.0 litre petrol engine paired with a four wheel drive drivetrain, ensuring confident handling in all conditions. Inside, you'll find a sophisticated cabin enhanced by decorative inserts in carbon for the dash and front door trim panels, a tilting and sliding panoramic sunroof, and a premium Harman Kardon digital sound package complete with a subwoofer for an immersive audio experience.

The R Black Edition trim level truly sets this Golf apart, boasting an R Performance Titanium exhaust system that contributes to its dynamic performance. For added convenience and a touch of advanced technology, a Head Up Display is included, projecting key information directly into your line of sight. Beyond its performance and technology, this Volkswagen Golf also offers generous boot space, making it a practical choice for everyday life and longer journeys. These features collectively demonstrate how this vehicle excels beyond its peers, offering a refined and engaging drive.
