DESCRIPTION

The 2011 Volkswagen Passat TDI SE is a practical saloon that combines reliable engineering with everyday functionality. This model is powered by a 1.6 litre diesel engine, offering a balanced driving experience suitable for both city commutes and longer motorway journeys. As an SE trim, it includes several convenient features designed to assist the driver, such as climatic semi-automatic air conditioning to maintain a comfortable cabin temperature. The vehicle is also equipped with automatic headlights that feature a dusk sensor and a coming-leaving home function, ensuring visibility is managed effectively. For connectivity, the car includes Bluetooth telephone preparation, allowing for hands-free communication while on the move.

This Volkswagen Passat stands out for its efficiency and cost-effective ownership, making it a sensible choice for those mindful of running costs. It boasts an impressive fuel economy of 64 mpg and low CO2 emissions, which helps to reduce the environmental impact and ongoing expenses. Furthermore, the vehicle falls into a low insurance group, providing additional savings for the owner. Beyond its economical performance, the Passat is well regarded for its practicality, offering a large boot space that is ideal for carrying luggage or shopping. These combined attributes make it a well-rounded option for drivers seeking a dependable and economical vehicle.
