DESCRIPTION

This 2018 Volkswagen Polo TSI SEL has been well maintained by only two owners and comes with a clear vehicle history check. This hatchback is powered by a 1.0 litre petrol engine that meets Euro 6 emission standards, making it a practical choice for modern driving. The interior is equipped with a 2-zone climate control system to keep the cabin comfortable, while the Composition Media and Discover Navigation infotainment systems provide Bluetooth connectivity for your devices. Parking is made straightforward with front and rear sensors that include parking assistance, and the Light and Sight pack adds convenience with automatic headlights.

The vehicle offers a balanced driving experience, capable of accelerating from 0 to 62 mph in 9.5 seconds while maintaining an impressive fuel economy of 60 mpg. Its design prioritises efficiency, resulting in low CO2 emissions that help reduce running costs. Furthermore, the car provides a large boot space, offering more practicality than many other vehicles in its class. These combined attributes make this Polo a reliable and efficient option for those seeking a versatile car for daily use.
